MORENCI WINS FROM CANANEANS

Arizonians Easily Take the Saturday Game From the Mexico Copper Diggers.

Cananea, Sonora, Mex., Aug. 8.—Morenci defeated the Cananeans Saturday afternoon in a hotly contested game by a score of 5 to 2. Throughout the game it was nip and tuck, except in the eighth inning. Morenci was first up and scored two runs. Jim Wilson got to first on an error and Manes hammered out a three-bagger in left center, scoring him. Manes scored on a bunt by Kelly. Goodman was first man up for Cananea and secured a single and made the circuit.

Neither of the teams scored until the fifth inning, when Cananea tied the score. Morenci scored one run in the seventh and two more in the eighth. In the ninth, Cananea had the bases full with only one down, but were unable to hit safe. Morenci pitched an excellent game for the home team. He walked two men, hit one and struck out nine. In the seventh inning he stopped a hot one which came at his head, getting it on the wrist and glancing off his head. He attempted to field it, but his arm was paralyzed for the time being. Later in the inning he beat a bunt to first and fell over the bag, but didn't lose the ball for a moment. His activity put considerable life into the game.

The Morenci bunch have certainly an acquisition in their pitcher, Merritt. He has excellent control, and the Cananeans were unable to place the ball where they wanted to. He succeeded in striking out four, walked three and hit one. His work is very clever. "Scotty" Allen, the umpire, is there with the goods and his work was classy. His decisions were accepted without argument and he is absolutely fair. He is without doubt one of the classic umpires ever appearing on the local grounds.

The score: Morenci...2 0 0 0 0 1 2 0—5 5 1
Cananea...1 0 1 0 0 1 1 1 0—2 7 2
Batteries: Morenci, Parks and Hoffman; Cananea, Wylie and Whaling.

EL PASO WINS TWO GAMES FROM CLIFTON -- BOTH TEAMS PLAY WELL

Clifton, Ariz., Aug. 8.—Hitting the long trail behind the gray Wolfe, El Paso played the local club to a standstill Sunday and took the second game of the series, three to one. The game was a brilliant fielding exhibition in spite of the bad condition of the ground. The first triple play of the Cactus league season was pulled off by the El Paso team in the fifth inning, causing the Clifton crowd to stand up on their toes like a seventh inning stretch. The better hit into Runsey who was pitching. Runsey fielded the runner who was on second out at third. Hewitt fielded the ball across to first to catch the batter. This play was executed successfully when the runner who was first overstepped second, Gray, playing first, pegged to Tex Merritt at second and tagged the base runner, making the third out.

Runsey pitched for El Paso and it was a debatable question as to who pitched the best game—Anderson or Runsey. The Mavericks took both games by superior ball playing and the batting exhibition given Sunday was one of the finest ever seen here. Wright, Gray and Ketchum each got three base hits off of Kepler during the game. El Paso gained seven hits off of the local pitcher while Runsey held them to four scattered ones. Wolfe handled the club from behind the bat and had the club under perfect control throughout the game.

Score:
El Paso...3 1 4
Clifton...1 4 6
Batteries: El Paso, Runsey and Wolfe; Clifton, Kepler and Riley.

Exciting Game.
El Paso took the first game from Clifton, 4 and 2, in a game full of exciting situations that kept the spectators keyed up to a high pitch of excitement till the last man died in the ninth.
Scanlan, the local side wheeler, was sent in to oppose Anderson and Riley again appeared behind the bat, as the new man from the coast failed to arrive. Clifton played a loose game in the early innings and the Mavericks hit when the bats counted, piling up enough scores to win before the locals pulled together. The chief trouble came in the second and third innings. Clifton was first and the locals lost two chances to double up El Paso runners. The infield seemed to have its wires crossed, several of the visitors' hits being the result of errors. Scanlan, who lost control and the Mavericks started to clout the ball. McIlveen replaced Scanlan in the fifth. Clifton fought a brace and holding El Paso out for four, walked three and hit one. A trifling wild at first but soon settled down and fielded his position in great style. The last four innings were practically a pitchers' battle.

Anderson pitched a steady game, being particularly effective in the tight places, and Wolfe's headwork pulled him out of the holes. The work of Fick and Gray was also snappy and when the applause of the home side was heard they made several pretty stops.

The score:
El Paso...3 1 4
Clifton...1 4 6
Batteries: El Paso, Runsey and Wolfe; Clifton, Kepler and Riley.
Two-base hits—Hodges and Tom Whaling.
Three-base hits—Manes.
Home runs—Manes.
Stolen base—Brand.
Left on bases—Cananea 8; Morenci 2.

DOUGLAS WINS SUNDAY'S GAME

Defeats the Bisbee Miners, After Losing the Game Saturday.

Bisbee, Ariz., Aug. 8.—Douglas won Sunday by working the lucky seventh. Up to that time Bisbee led, the score being 3 to 1. In the seventh the Demons hit on Marshall's delivery for five clean hits, netting four runs. The score by innings:
R. H. E.
Bisbee...1 2 0 0 0 0 1—4 11 6
Douglas...0 0 0 0 2 4 0 0—5 9 2
Batteries: Bisbee, Humphrey and LeBrand; Douglas, Marshall and Grindle.

Gowan Wins for Bisbee.
Duck Gowan, late of El Paso, but now of the Bisbee club, scored a victory for himself and his club against Douglas Saturday. With the bases filled, little Duck waited to the plate and smashed out a three base hit, scoring the three runs. This put Douglas in the hall of fame at once and he was the pet of the place Saturday night after the game.

Bisbee took the game from Douglas seven to two. Cummings, who was released by Morenci, pitched a fine game for Bisbee, and held Douglas to five hits, while Bisbee got to Humphries and Pitts, who relieved the Philadelphia wonder, for 13 hits, which was considered unlucky.

Douglas was howling along at a two to nothing score until the sixth inning. Six runs in the sixth was enough to put a crimp in Douglas's winning ability and Cummings tightened down until the Dons could not get to him. The game was an errorless one and hard fought throughout in spite of the one sided score.

BROKEN WIRE DELAYS MEXICAN CAR TRAFFIC
A wandering telephone wire Saturday night became entangled in the trolley on Calle Comercio, in Juarez, making still shorter the already abbreviated Mexican car line. During the delay of nearly an hour, the cars ran only as far as the main street and returned.

Abel Kiviat, the phenomenal runner of the Irish-American Athletic club, forced Melvin W. Sheppard to add another world's record to his long string Sunday, when he breasted the tape a winner over Kiviat in a special 800 yard race at Celtic park, New York, three yards, winning in the great time of 1:57.5. This better the figures of 2:02.5, set by Glanville, the Olympic Athletic club half miler in 1908 by 41.5 seconds.

DURANGOS SCALP RED SOX FOR SECOND TIME SUNDAY
The Durango team defeated the Red Sox at Washington park Sunday by the following score:
R. H. E.
Durango...5 8 2
Red Sox...4 4 4
Batteries: Durango, Mesa Bros; Red Sox, Armstrong and Dering. Struck out by Mesa, 12; by Armstrong, 4.

ALBUQUERQUE-ROSWELL GAME, THE FIFTH, CALLED OFF

Manager Padilla, of the Albuquerque team, took his players off the field, just as the game should have begun, and there was wild excitement among the rooters and fans. He claimed more money. The games stood even two to two.

TEXAS LEAGUE GOSSIP.
(By Horace H. Shelton.)

Arthur Griggs, who is now playing in the outfield for St. Louis, is again showing some form. The former Texan a few days ago broke up a close game by consistent batting. He got his first complimentary notice for many moons.
Deardorff has also jumped the Fort Worth team. The loss of him and Riggs will greatly weaken the team, but it cannot be helped. Fort Worth needs the best men the team has to make the winning fight for the pennant.
The Dallas Giants are still somewhat handicapped by illness. Shontz is still ill, Ems and Moran are out of
